

**MESMAC International Conference ‘People First? Man, Machine & Milieu’**  
**Detailed List of Topics on which papers are invited is given below.**  
**Papers/ Abstracts may be related to, but not strictly confined to, these topics.**

---

**PHYSICAL SCIENCE**

- Nano robots
- Artificial intelligence
- Astrophysics
- Nonlinear dynamics
- Computational Physics
- Theoretical Physics
- Nuclear physics and radiation dose rate
- Material Science
- Nanotechnology
- Bio nanomaterials
- Industrial robotics and automation
- Crystalline and non crystalline materials
- Pharmaceutical applications
- Solar cell
- Statistical Mechanics
- Spectroscopy
- Optical devices
- Thin films
- Thermoelectric materials
- Spintronics

**CHEMICAL SCIENCE**

- Chemical education
- Analytical Chemistry
- Organic Chemistry
- Physical Chemistry
- Green Chemistry
- Environmental Chemistry
- Nanotechnology
- Material Sciences

**COMMERCE & MANAGEMENT STUDIES**

- Changing Contours of Indian financial system
- Contemporary issues in banking
- Emerging trends in finance

- Public policy
- Economics of artificial intelligence: Employment, health and education
- Block chain technology and crypto currency
- Digital (Financial) inclusion

**MATHEMATICS and ALLIED SUBJECTS**

**(Computer Science, Statistics)**

- Control theory
- Differtential equations
- Discrete Mathematics
- Numerical analysis/Methods
- Stochastic Models
- Mathematical Modelling
- Neural Networks/Fuzzy logic
- Algebra, Analysis
- Topology
- Finite element methods
- Fluid dynamics
- Operations Research
- Cryptography
- Number theory
- Computer Science
- Statistics

**MESMAC International Conference ‘People First? Man, Machine & Milieu’**  
**Detailed List of Topics on which papers are invited is given below.**  
**Papers/ Abstracts may be related to, but not strictly confined to, these topics.**

---

**PHYSICAL EDUCATION**

- Sports and Games as Entertainment
- New Games
